Structure 40

4-0-8

A highly concentrated, engineered blend of specific amino acids for increased nitrogen fixation, chlorophyll production, energy production, and the production of anti-stress compounds. Powered by EBS.

Rate: .5-3oz./m

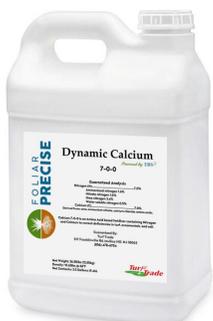

Minors

1-0-0

Specially formulated with plant metabolites that increase nutrient uptake and improve plant health. Powered by EBS.

Rate: 1.5-3oz./m

Calcium

7-0-0

Calcium is a concentrated calcium product that is complexed by amino acids and other natural plant metabolites. Powered by EBS.

Rate: 1.5-3oz./m

1-0-15

1-0-15 delivers vital potassium to the plant, enhancing the ability to combat stress and disease. Powered by EBS.

Rate: 1.5-3oz./m

18-3-4

18-3-4 L-Amino Nitrogen is enhanced with our proprietary L-Amino acid package for improved plant response to environmental stress. Powered by EBS.

Rate: 4-12 oz./m

Stand Up Si

2-0-0

Stand Up is one of the most concentrated liquid silicon products in the market at 25% SiO₂ by weight. Powered by EBS.

Rate: .5-3oz./m

Octane Fe

Octane Fe yields outstanding residual color, increased nutrient uptake, and improved overall plant health. Powered by EBS.

Rate: 12-16oz./Acre

Sea Grow 18-0-1

A newly formulated fertilizer that includes N&K with CRN, Humic Acids, micros & Seaweed chelated by amino acids. Powered by EBS.

Rate: 4-12oz./m

Dynamic 28-0-0

28-0-0 is formulated with 60% CRN. Contains proprietary L-amino acids and powered by EBS.

Rate: 4-24oz./m

Purity Phosphite 0-0-26

Specially formulated Potassium Phosphite to promote healthy turf and help prevent stress.

Rate: 3-4oz./m

Dynamic 6-20-5*

A newly formulated fertilizer that chelated by amino acids. Contains Carboxylic acid and powered by EBS.

Rate: 1-3oz./m

Purity Phosphite 2-0-16

2-0-16 Specially formulated Potassium Phosphite to promote healthy turf and help prevent stress. , enhancing the ability to combat stress and disease.

Rate: 1.5-3oz.m

Dynamic 4-13-3*

4-13-3 is great nutritional supplement to help prevent summer stress. Contains amino acids and powered by EBS.

Rate: 1.5-3oz./m

Dynamic 8-5-3*

Dynamic 8-5-3 is a balanced nutritional package that contains EDTA minors and proprietary L-amino acids. Enhanced with EBS.

Rate: 4-16oz/m

Dynamic 8-0-10

8-0-10 L-Amino Nitrogen is enhanced with our proprietary L-Amino acid package for improved plant response to environmental stress.

Rate: 3-12oz./m

Dynamic BIO 12-6-6*

Dynamic Bio 12-6-6 is a balanced nutritional package that contains glucoheptonate minors and proprietary L-amino acids, humic acid and kelp. Enhanced with EBS.

Rate: 3-12oz./m

*available on EOP only or by the pallet or tote

Amino-Phyte 4-0-8*

An amino acid based Phosphite that contains silica and is powered by EBS..

Rate: 1-3oz./m

JumpStart 8-0-5, 8-4-5

JumpStart is an all-in-one product that provides a complete turfgrass establishment program with the convenience of one single product. Powered by EBS.

Rate: 3-9oz./m

Botanic Kelp 4-0-1

Is a powerful highly concentrated kelp. Contains a penetrating surfactant and Humic acid. Powered by EBS.

Rate: 1.5-3oz./m

Dynamic 14-4-8*

14-4-8 L-Amino Nitrogen is enhanced with our proprietary L-Amino acid package for improved plant response to environmental stress. Contains 50% CRN, minors and powered by EBS.

Rate: 4-24oz./m

Dynamic Curve* 0-0-5

High concentrated rich humic acid with L-amino acids and powered by EBS

Rate: 1-3oz./m

Dynamic 12-0-12

A highly specific blend that helps target better nutrient uptake, plant resilience, rooting and turf playability. Contains L-amino acids and nitrogen stabilizer. Powered by EBS

Rate: 4-24oz./m

Dynamic 0-0-21*

Potassium Thiosulphate with sulpher.

Rate: 3-9oz./m

Dynamic 0-0-28*

Potassium Acetate with SAR elicitor and powered by EBS

Rate: 3-9oz.m

Dynamic 0-2-2*

50% Kelp with potassium hydroxide and phosphoric acid. Powered by EBS.

Rate: 1.5-3oz./m

*available on EOP only or by the pallet or tote

Bio-Fusion

0-0-5

Bio-fusion is a high concentrated beneficial bacteria package with, amino acids, kelp, minors and proprietary ingredients.

Rate: 1-2lbs/Acre

Bio-Synergy

0-0-5

Bio-Synergy is a concentrated humic acid with plant sugars, amino and fulvic acids, silica and plant derived hormones and stimulants. Powered by EBS.

Rate: 1.5-3 oz./m

Bio-Fusion + Myco

0-0-5

Bio-Fusion + Myco is high concentrated beneficial bacteria package with amino acids, kelp, minors and Mycorrhizae.

Rate: 1-2 lbs./Acre

Turf Recovery Plus

7-2-7

7-2-7 is a standard organic fertilizer that is enhanced with Bio-Fusion + Myco. Contains Ammonium Sulfate, chicken poultry with Accu-blu SRN.

Rate: 5-9 lbs./m

Emerald Green 16-2-3

16-2-3 is a standard organic fertilizer with ammonium sulfate, chicken poultry and bio-solids. Accu-Blu SRN.

Rate: 4-8 lbs/m

8-2-2

8-2-2 is a greens grade homogenous organic fertilizer that contains feather meal, ammonium sulfate, amino acids, kelp and more.

Rate: 6-12 lbs./m

7-5-7

7-5-7 is a greens grade homogeneous organic fertilizer that contains carbon, feather meal, ammonium sulfate, amino acids, kelp and more.

Rate: 7-12 lbs./m

Rate: 3.5-5 lbs/m

Power N 22-0-4

22-0-4 is a bridge product that contains EC Plus which is enhanced with Bio-Fusion, Iron and Humoxy. AccuBlu SRN.

*available on EOP only or by the pallet or tote

SOIL SURFACTANTS

Bull Plus

Bull Plus is an Advanced surfactant system designed with five separate surfactant chemistries. Uniform distribution, Reduction of LDS and hydrophobicity, Rapid and thorough re-wetting, Retention of root zone moisture, Reduced risk of phytotoxicity.

Rate: 4-6 oz./m

House II

House II is a multi-chemistry soil surfactant and water conditioner, formulated with both traditional soil wetting polymers along with powerful penetrants.

1-3oz./m

Bull

Block copolymer, 30 day surfactant, uniform hydration, moisture retention, water infiltration

Rate: 4-6 oz./m

Dynamic Wetting Agent Tabs

Highly concentrated surfactant tablet that contains a SAR Elicitor.

Rate: 8-12m/tab

Convince Surfactant

Convince is an 80/20 surfactant to enhance performance of pesticide sprays.

Rate: 1-2 qts/100 gal

Stalwart Surfactant

Stalwart is an organo-silicone based surfactant that essentially makes water wetter.

Rate: 8-16 oz./100 gal

Influence Spray Aid

Influence improves water quality, buffers spray tank, reduces drift and enhances product performance.

Rate: 8-24oz/100 gal

No-Stanky Odor Reducer & More

No-stanky is an odor reducing surfactant, drift retardant, water wetter and spreader sticker.

Rate: 8-24 oz./100 gal

*available on EOP only or by the pallet or tote
